Tap your library. You'll be redirected to the library's digital collection to start browsing right away, and the library will automatically be saved to your "My libraries" list.

#### Step 4. Borrow a Title

Borrow a book. Or place a book on hold. Below the title will show if it is an ebook or an audiobook.

Choosing **Borrow** will lead you to the book's details section. After you borrow your book, it is ready to download.

#### Step 5. Download or Stream Instantly

Now you can see all of your options for borrowed titles on your **Loans** page (or under the titles icon on the home page). From there, you can download most titles or enjoy them immediately in your browser. You may return titles early by choosing the **Return** option or pressing down on the title and choosing the **Return To Library** in the pop up.

#### Step 6. Enjoy

The icon in the upper left corner of your home screen takes you to your library, your account info, settings, and an option to manage your downloaded files.

Choosing **BOOKSHELF** takes you to your downloaded books.

Happy Reading!
