Science in Action Club 1st-3rd grade

Mon, Feb 23 | 6:30-7:30pm
Sat, Feb 28 | 3-4pm
Learning Center

Feb 23 - Learn that a force is a push or pull that causes an object to start moving, stop moving, or change direction.

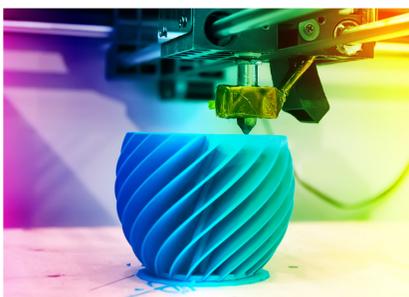

Feb 28 - Identify animals from different groups (mammals, reptiles, amphibians, birds), focusing on their life cycles and ability to move, eat and use senses to find food and shelter.

Building Readers

We help you instill a love of reading and build early literacy skills in your young children with Baby Bookworms, Wonderful 1s and Totally 2s.
