### PROJECT

Network Switch Upgrade Project

### PROJECT DESCRIPTION

The Topeka and Shawnee County Public Library is a 21st-century, landmark library; most recently named the Library Journal's 2016 Library of the Year. The Library features the Alice C. Sabatini Gallery, the Millennium Café, Chandler Booktique (used bookstore), free meeting rooms, computer training and internet access. Located in the heart of Shawnee County, the Library has a collection of about 425,000 items and serves nearly 111,000 cardholders. About 1,500 people walk through the doors daily. Bookmobiles make about 25 stops six days a week traveling across the county and the Library provides services to 40 senior living facilities and 130 homebound individuals. The Digital Branch Library, [www.tscpl.org](http://www.tscpl.org), serves customers' needs 24/7.

The Library has forty-one (41) CISCO network switches in seven network closets that are at end of life and need to be replaced. The goal with this project is to upgrade to new equivalent network closet switches, licenses, and peripherals.

## **PROPOSED SCOPE OF WORK:**

### **Summary:**

The Library has forty-one (41) CISCO network switches in seven network closets that are at end of life and need to be replaced. The goal with this project is to upgrade to new equivalent network closet switches, licenses, and peripherals.

Please note that any specific model numbers are to be considered “or equivalent” as per E-Rate rules. The Library is not seeking installation and initial configuration services.

Proposals must clearly identify costs for basic maintenance as well as any E-Rate ineligible items. Failure to do so may result in the bid being denied.

All bidders must have an E-Rate SPIN (Service Provider Identification Number) and not be subject to the FCCs Red Light Rule.

The Library may proceed with the purchase of these items regardless of E-Rate funding. The service implementation timeframe for these services is 04/01/2026 through 09/30/2027

Subject line must include TSCPL 2026 Switch - Form 470 #260010879 for all question or proposal submissions.
