If it jams, force it. If it breaks, it needed replacing anyway.

It is impossible to make anything foolproof because fools are so ingenious.

Nature sides with the hidden flaw.

If you mess with a thing long enough, it'll break.

Always keep in mind that your weapon was made by the lowest bidder.

The more the weapon costs, the farther away you will have to send it to be repaired.

The quartermaster has only two sizes, too large and too small.

Never tell the Platoon Sergeant you have nothing to do.

Never stand when you can sit, never sit when you can lie down, never stay awake when you can sleep.

Don't ever be the first, don't ever be the last and don't ever volunteer to do anything.

If you find yourself in front of your platoon, they know something you don't.
