WINTER BLUE BIRD

Supplies:
- Cardstock
- Construction paper
- Eye stickers
- Stapler
- Scissors

1. Cut out the bird body.

2. Slightly fold the bird body in half and use scissors to cut a slit for wings.

3. Fold two light blue pieces in an accordion fold.

4. Bend one accordion folded paper in half.
5. Push this accordion folded paper through the slit in the bird body and bend upward. Spread accordion out to spread the wings.

6. Cut the second accordion paper in half.

7. Place these two accordion pieces on each side of the bird body and staple.

8. Cut two yellow triangles and glue on each side of bird head. Add eye stickers on each side of head.
