

Mosaic Turtle

Supplies:

- One bag of air-dry clay
- One bag of tumbled glass pieces
- White glue
- Piece of white cardstock

How to:

1. To make a turtle, pinch off small pieces for 4 legs, tail, and head. Roll these into shape.

2. Use the rest of the clay for the turtle shell/body by rolling it into a ball and lightly pressing into a dome shape. Build your turtle on a piece of white cardstock.

3. Stick legs, head, and tail onto shell.

4. Use a Tiny bit of glue on the glass pieces and press onto shell.

5. Slide into plastic bag to take home and set out to dry.
