

# WATER LILY

## SUPPLIES:

- Piece of green paper
- 3 circles of tissue paper
- 1 piece of yellow paper
- Scissors
- Glue stick
- Stapler
- Pencil

## HOW TO:

1. Cut lily pad from green paper. Draw veins radiating from the center.

2. Layer 3 circles of tissue paper one on top of the other.

3. Lightly fold/twist the bottom in the center and staple.

4. Cut out circle from yellow paper, draw seeds with pencil and glue in the center of the lily flower.

5. Open flower wide and glue to lily pad.

6. Glue yellow circle in center of flower.
