

- Take one small sheet of brown and one small sheet of tan paper, and tear them into little pieces.
- Cut out two yellow circles.
- Cut the orange strips into smaller pieces for the legs and feet.
- Bend the orange square from corner to corner for the beak.
- Arrange the tan and brown paper pieces on a sheet of blue paper to form the owl's body, and glue together your owl.
- Glue on the orange strips for the legs.
- Glue on the orange triangle for the beak.
- Glue on the yellow circles for the eyes.
- Use a black marker to finish the owl's eyes.
